Dear Brent,

Simon Fraser University (SFU) and the University of British Columbia (UBC) are delighted to learn that Goldcorp has agreed in principle to provide \$5 million in support of the creation of the Canadian International Institute for Extractive Industries and Development (CIIEID) in Greater Vancouver.

Your commitment to become our Strategic Partner in the Institute will strengthen our coalition application. Please find attached the *CIIEID Letter of Support for Strategic Partners Template* that we have developed. Please note that as a partner of this application, Goldcorp is required by CIDA to complete this letter with original signatures. We would appreciate receipt of the completed letter by Friday, August 24th.

Both UBC and SFU would be pleased to meet with Goldcorp to further discuss our application, Goldcorp's involvement as a strategic partner, and to answer any questions that you may have. Please do not hesitate to contact us at:
